### TO WHOM IT MAY CONCERN

The following is applicable namely that:

- In the event of the Medical Aid not willing to settle the cost of your consultation at the practice, you will be liable for the balance of the account.
- In the event of the practice receiving approval for your procedure during hospital admittance or at the practice, and the Medical Aid subsequently failing to settle the account in full, you will be liable to settle such account.
- In the event of the above, it will then be your responsibility to liaise with the Medical Aid, in order to resolve the matter.
- If the Medical Aid does not settle your account on the day of consultation you will be responsible to settle your account in full.
- All patient information will be sent to Johannesburg Eye Hospital, GoodX (electronic system), referring Dr, Anaesthetist, laboratories etc. The information is needed for pre-admission, admission, referrals and claims that will be sent to the medical aid.
- Private information will be given to your medical aid in case of authorization needed.
